*A Very Special Thank You To:*

- Mr. Linklater & Mr. Campbell for their tireless efforts
- Mr. Friedrich- the Master of Cermonies
- The Senior and Junior Band Executive committee
- The Parent's Committee for their continuous support
- O.C.D.S.B. Print Department- program production
- Jonah Kanter and Mr. Bell- Recording
- Chris Bell and Steve Betts

## A Message from the Band Parent Committee ...

It has been a full and exciting year around the music department at S.R.B. We have a very committed group of music students who have made it to all those early morning band practices. They have been fund-raising through bake sales, a car wash and frozen dough sales. They have performed in fabulous concerts all year long, and both Junior and Senior Bands won 'Gold' at Music Fest!

Our hats go off to those people who have worked so hard alongside their students. The teachers have *also* made it to those early morning practices, have coached the students in preparing for concerts, and have encouraged, motivated and passed on their love of music to our children. We thank Geoff Linklater, Brad Campbell and Wes Friedrich for their dedication and enthusiasm and for providing such excellent musical experiences for our students.

The third group in this partnership is the parents. All of you have given in so many ways to support your children's involvement in the music program. I think we would all agree on the importance of music in our children's education and development. We are lucky to have such a strong and viable music program at S.R.B., and we must continue to work hard to preserve it. To quote the Coalition for Music Education in Canada, "we all must find the strength and determination to ensure that music programs in our schools remain strong. Our children need music. We all need music."

I urge you to become involved in our Band Parent Committee next year. This group meets regularly and helps in so many ways. We take on numerous roles at the band concerts (often behind the scenes!), organize fund-raisers and keep track of uniforms. We have updated the pictures along the hall to the music rooms, sewed stand banners, chaperoned band trips, produced newsletters and the list goes on! Some of the contributions are invisible, yet have been so important in the smooth running of our very active music department. We thank all the parents for their hard work; it has been a pleasure to work together.

Our first meeting for next year is planned for Thursday, September 19<sup>th</sup>. Please contact either Wendy Hartley (820-2811) or Jane Sproule (721-9518) if you would like to join us. We encourage you to become involved in the S.R.B. Music Department.
